Where should bunker rakes be placed? A golf course architect offers his thoughts

Rakes don't make things better for golf, Forrest Richardson says

Golf courses tend to have differing philosophies on the matter. A veteran golf course architect was recently interviewed by *Golf* magazine for his take on the decision, and said if it was up to him, bunker rakes wouldn't exist.

Forrest Richardson believes bunker rakes don't make things better for golf. He had conducted an extensive look at bunker rake positioning based on a number of criteria, soliciting the opinions of golf course operators, rules officials and other key industry personnel.
